宠巢智能 petnest AI

告知 · Notice

致各位宠主 · To pet owners

本诊所使用 AI 病历助手起草病历。

问诊过程会录音，仅用于起草病历；
病历由兽医审核并签署。

如您不希望录音，
请在问诊开始前告诉兽医。

病历文字经匿名化处理后，可能用于改进 AI 病历助手；
问诊录音不用于训练。

如有疑问，请咨询您的兽医。

This clinic uses an AI scribe to draft medical records.

The consultation is recorded, and the recording is used only to draft the record; the record is reviewed and signed by the vet.

If you would rather the consultation were not recorded, please tell the vet before it starts.

Once anonymised, the text of the record may be used to improve the AI scribe; the recording is never used for training.

If you have any questions, please ask your vet.

1 问诊录音
The consult is recorded

2 AI 起草病历
The AI drafts the record

3 兽医审核并签署
The vet reviews and signs
